Attention: Official Draftsman

Dear Sir:

In response to the "Notice of Allowability" accompanying the "Notice of Allowance and Issue Fee Due" mailed January 30, 1992, regarding the above-identified patent application, enclosed for filing with said application are nine (9) sheets of formal drawings illustrating Figs. 1-9 of the application. Figs. 1-9 constitute all of the drawings in the application. In addition, enclosed are copies of Figs. 3, 8 and 9 indicating in red minor revisions made to the drawings which now make them consistent with the other figures. Specifically, the symbol for "omega" (i.e. "ω") has been changed to the word "omega" in order to be consistent with the other figures.

Respectfully submitted,

SHERIDAN ROSS & McINTOSH
